Re: Transfer of Notice of Intention, Northern Stone Supply Inc., Ebony & Ivory #1 Claim, S/027/057, Millard County, Utah

Dear Mr. Cox:

On September 15, 1994, the Division received a copy of the quit claim deed confirming ownership transfer of Steve Hodges Ebony & Ivory #1 lode mining claim to Northern Stone Supply, Inc. This claim is located in SE/4, NW/4, Section 15, Township 23 South, Range 13 West. Included with the quit claim deed was a copy of the Notice of Operations. On September 21, 1994, the Division received a copy of the BLM's acceptance letter for this Notice. Your agency's designated project number for this Notice is UTU-072854.

This letter is to inform you that the Division has evaluated the above mentioned Notice for completeness. The Notice meets the requirement of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8, et seq., of the Utah Mined Land Reclamation Act of 1975.

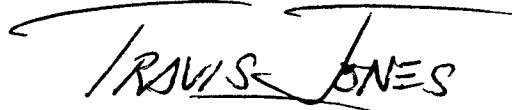

Division file S/027/036 describes operations conducted by Steve Hodges on claims located in Sections 14, 15, and 17, Township 23 South, Range 13 West. A new file, **S/027/057**, has been created and contains the Notice filed by Northern Stone Supply for operations in Section 15. File S/027/036 (BLM # UTU-070673) will remain open, since Northern Stone Supply did not wish to transfer all of the operations covered under file S/027/036. Steve Hodges will continue to be the responsible party for any disturbances covered under file S/027/036 other than those located on the Ebony & Ivory #1 claim.

Thank you for your cooperation. If you receive further information for either of these operations please notify us.

Sincerely,

Travis W. Jones
Reclamation Hydrologist
